

## BONENT BOARD OF DIRECTORS

# 2026 ELECTION INFORMATION & BALLOT

**Vote (1 per member) Online, or by Mail, or via Fax, no later than Sept. 15, 2026**

Currently there is only one available position on the BONENT Board of Directors to be filled –

- A Technologist (CHT, CHBT, or CHWS):
  - Three (3) successful candidates have submitted for the position.
  - Each candidate's biography is available below for your review.

### Robert A. Beamer, CHT

Training Supervisor, Marcor/Xylem.

*Troy MO*

I have worked in the Dialysis industry for over 30 years and have been a CHT for 20 plus of those years. I have worked in both the clinical and technical areas of the industry during my

career. I am currently the Training Supervisor of the Field Training team at Marcor/Xylem.

I also have a Bachelor's Degree in Healthcare Management.

I believe that my experience and desire to help develop the next generation of Dialysis professionals would make me a great candidate for the board. Thank you for your time.

### Kazim R. Naqvi, CHT, CHBT

NY Presbyterian Hospital,

*Flushing NY*

My name is Kazim Naqvi, and I have dedicated my professional career to the field of dialysis and nephrology since 1996. Over the past three decades, I have remained deeply committed to advancing patient care, professional education, and clinical excellence within the nephrology

community. I believe my extensive clinical experience, leadership background, educational involvement, and dedication to the nephrology community make me well qualified to serve as a Board of Nephrology Examiner for Nurses and Technicians. It would be an honor to contribute my knowledge, experience, and passion toward supporting excellence and advancing standards within the nephrology profession. I understand the challenges faced by healthcare professionals and the importance of continuous improvement in dialysis outcomes. I strongly believe that BONENT is the right platform that understand the challenges and support dialysis professionals.

### Mirwais Rahmani, CHT

Facility Administrator, Davita, Howard County, *Columbia MD*

I have been a BONENT member since 2015 as a CHT. I also have a medical degree from Afghanistan. I started my career in the US as a patient care technician in 2014. I also worked as Clinical Research Coordinator for Washington Nephrology Associates from 2017-2020. I was promoted to Facility Administrator with Davita in 2022 and has been holding that position since. I am committed to advancing excellence in nephrology care through collaboration, education, and advocacy. With hands-on clinical experience and a strong dedication to patient-centered care, I understand the challenges and opportunities facing dialysis professionals today.

As a BONENT board member, I would bring integrity, professionalism, and a practical perspective focused on supporting certification standards, workforce development, and quality outcomes for patients.
